To access the Concorde Wifi Account on Your Windows Laptop

This Network should be used for your personal devices (Cell Phones, Laptops, Tablets etc.)

1. At the bottom right corner of your screen, there will be an icon that looks like a Computer Monitor or signal meter

2. Click once on this monitor and you will get a list of wireless networks

3. Click on the Concorde Network

- 4. Enter your Concorde username and password (same that you would use to login to a campus computer)
- 5. You should now be connected to the Concorde Wireless Network

How to access Concorde Wireless Network from Your Andriod Phone or Tablet

- 1. Go to Apps> Settings
- 2. Click on Wi-Fi
- 3. Turn Wi-fi on
- 4. You should now see a list of Wi-Fi Networks
